Blue Bible Commentary

([Jos 24:32](#)) The burial of Joseph's bones.

The bones of Joseph, which the children of Israel had brought up out of Egypt, they buried at Shechem, in the plot of ground which Jacob had bought from the sons of Hamor the father of Shechem for one hundred pieces of silver, and which had become an inheritance of the children of Joseph.

a. **The bones of Joseph**: This may seem like an inconsequential point, but it fulfills [Genesis 50:25](#). God likes to tie up loose ends. This is also mentioned in [Hebrews 11:22](#) as an example of Joseph's faith.
